

Vision&vision – INTERIOR DESIGN

1) DE.STYLE

It's a trendy magazine that offers the opportunity for students to express their creative talents.

The interior design section of DE.STYLE magazine aims to present to professionals, entrepreneurs and furnishing experts, new designers.

The goal is to create a system for students to move from theory to the study concretization of a work through the publication of their original projects full of creative ideas.

2) CONTEST Vision&vision

To participate in the "Vision&vision" each student should present the study of **max two internal projects** (houses, showrooms, shops, offices, swimming pools, gardens) paying particular attention to the COLOR, the color relationships in order to enhance environmental quality. The style, the category and the choice of materials will be released to the participant's discretion.

The projects must be realized on white sheets of A3 format and must be complete with: technical information

1. enlargement of any special
2. CD contains the following files:
 - descriptive report, concerning the proposed projects and the choices you make in Word format;
 - biography in Word (max 200/300 words);
